Pricing. Carrier Making CV

BASIC DIFFICULTY LEVEL:

- . **Starting price:** 200 EUR
- . **Criteria:** suitable for entry-level professionals or recent graduates
- . **Argument:** at the basic difficulty level, CV writing services focus on creating a foundational document that highlights essential information in a clear and concise manner. This includes basic CVs in English or Serbian, editing and proofreading for grammatical accuracy and cover letter writing to accompany the CV. These services cater to individuals who are just starting their careers and may not have extensive work experience to showcase. The emphasis is on presenting educational background, skills and any relevant extracurricular activities or volunteer work effectively

INTERMEDIATE DIFFICULTY LEVEL:

- . **Starting price:** 250 EUR
- . **Criteria:** geared towards mid-level professionals or those transitioning careers
- . **Argument:** intermediate difficulty level services offer more specialized support, such as industry-tailored CVs, keyword optimization and achievement showcase. Professionals at this stage are seeking to advance in their careers or pivot into a new industry. They require CVs that not only highlight their skills and experiences but also align with the expectations of their target industry or role. These services may also include showcasing achievements, emphasizing transferable skills and optimizing the CV for online job searches, such as on LinkedIn

ADVANCED DIFFICULTY LEVEL:

- . **Starting price:** 300 EUR
- . **Criteria:** targeted towards senior-level executives, managers or specialized professionals
- . **Argument:** advanced difficulty level services provide comprehensive solutions tailored to the unique needs of experienced professionals. This may involve creating alternative-use resumes for specific purposes such as company pages, publications or events. Additionally, premium design packages, trend-driven CVs and LinkedIn optimization services are offered to ensure the CV stands out in a competitive job market. Professionals at this level require strategic positioning and branding to showcase their expertise, leadership capabilities and industry influence effectively

CHALLENGING DIFFICULTY LEVEL:

- . **Starting price:** 400 EUR
- . **Criteria:** designed for C-suite executives, thought leaders or industry pioneers
- . **Argument:** challenging difficulty level services offer high-level expertise, probably also needing a professional corporate photo shooting and additional language support. Executives and industry leaders need CVs that not only demonstrate their professional accomplishments but also convey their personal brand and executive presence. These services focus on crafting compelling narratives, leveraging multimedia elements and enhancing global visibility. The goal is to position clients as top candidates for prestigious leadership roles and board memberships

By categorizing CV writing services into these difficulty levels, individuals can choose the appropriate level of support based on their career stage, aspirations and the complexity of their professional profiles. Each level offers tailored solutions to maximize the impact of your CV and elevate your chances of securing your desired opportunities.
