## Pricing. Impressive Presentation

### BASIC DIFFICULTY LEVEL:

- . **Starting price:** 500 EUR
- . **Criteria:** suitable for individuals or professionals with limited experience in presentation design and delivery
- . **Argument:** at the basic difficulty level, impressive presentation services focus on fundamental aspects such as clarifying presentation goals, content development and incorporating visual elements. These services cater to individuals who may struggle with structuring their presentations, creating engaging content or designing visually appealing slides. The emphasis is on providing guidance and expertise to ensure that presentations effectively communicate their key messages and engage the audience

### INTERMEDIATE DIFFICULTY LEVEL:

- . **Starting price:** 700 EUR
- . **Criteria:** geared towards professionals or organizations seeking to enhance the quality and impact of their presentations
- . **Argument:** intermediate difficulty level impressive presentation services offer more comprehensive support in areas such as storyboarding, visual design expertise and engaging opening and closing advice. Professionals at this stage may encounter challenges related to maintaining audience interest, creating compelling narratives or designing effective visual aids. These services focus on elevating presentation quality through strategic storytelling, captivating visual design and polished delivery techniques. The emphasis is on providing guidance and strategies to captivate and inspire the audience

### ADVANCED DIFFICULTY LEVEL:

- . **Starting price:** 1.000 EUR
- . **Criteria:** targeted towards executives, speakers or organizations requiring specialized expertise in presentation design and delivery
- . **Argument:** advanced difficulty level impressive presentation services involve advanced techniques in audience interaction strategies, technical support and distribution advisory. Organizations at this level may deal with high-stakes presentations, large audiences or complex topics that require precision and impact in communication. These services offer specialized expertise to engage audiences, navigate technical challenges and ensure presentations are delivered effectively across different platforms. The emphasis is on maximizing impact, engagement and effectiveness in delivering presentations to achieve desired outcomes

### CHALLENGING DIFFICULTY LEVEL:

- . **Starting price:** 2.000 EUR
- . **Criteria:** designed for organizations facing critical communication challenges, public scrutiny or demanding presentation requirements
- . **Argument:** challenging difficulty level impressive presentation services address critical issues such as feedback and iteration loop, customization for the audience and distribution and sharing advisory. Organizations at this level may encounter situations where the success of presentations is paramount for decision-making, stakeholder engagement or reputation management. These services involve rigorous quality assurance processes, audience analysis and strategic planning to ensure presentations are tailored to specific needs and objectives. The emphasis is on delivering impactful, memorable presentations that leave a lasting impression on the audience

By categorizing Impressive Presentation Services into these difficulty levels, individuals and organizations can identify their specific needs and select the appropriate level of support to enhance their presentation capabilities. Each level offers tailored solutions and strategies to address specific challenges and optimize the effectiveness of presentations for communication and engagement.
