## Pricing. Promising Carrier

### BASIC DIFFICULTY LEVEL:

- . **Price:** 250 EUR/ session
- . **Criteria:** suitable for entry-level professionals or recent graduates
- . **Argument:** basic difficulty level services focus on foundational support such as career counselling, skills assessment and goal setting. Individuals at this stage may be exploring various career paths, identifying their strengths and interests and setting initial career objectives. Services like job search assistance and networking support are essential for navigating the entry-level job market and building professional connections

### INTERMEDIATE DIFFICULTY LEVEL:

- . **Price:** 300 EUR/ session
- . **Criteria:** targeted towards mid-level professionals or experienced practitioners
- . **Argument:** intermediate difficulty level services offer more comprehensive support in areas such as professional development planning, negotiation skills training and performance reviews. Professionals at this stage are seeking career advancement opportunities and may benefit from guidance on refining their career trajectory, enhancing their leadership skills and navigating workplace challenges effectively. Networking support evolves into strategic relationship-building, while job search assistance may involve exploring lateral moves or industry transitions

### ADVANCED DIFFICULTY LEVEL:

- . **Price:** 350 EUR/ session
- . **Criteria:** geared towards senior-level executives, managers or industry experts
- . **Argument:** advanced difficulty level services provide specialized support in executive coaching, succession planning and entrepreneurial guidance. Executives at this stage are focused on strategic career management, whether it involves climbing the corporate ladder, transitioning into entrepreneurship or planning for retirement. Services like brand building, diversity and inclusion training and mentorship programs cater to the complex needs of seasoned professionals aiming for leadership roles and industry influence

### CHALLENGING DIFFICULTY LEVEL:

- . **Price:** 400 EUR/ session
- . **Criteria:** designed for C-suite executives, thought leaders or industry pioneers
- . **Argument:** challenging difficulty level services offer high-level expertise in areas such as industry trends and insights, succession planning and continuous learning opportunities. Leaders at this level are responsible for shaping organizational strategy, driving innovation and influencing industry trends. Services focus on navigating global markets, leading organizational change and fostering a culture of diversity, equity and inclusion. Mentorship programs may involve peer-to-peer coaching or access to industry luminaries, while brand building extends to thought leadership and public speaking engagements

By categorizing career management services into these difficulty levels, individuals can choose the appropriate level of support based on their career stage, aspirations and the complexity of their professional goals. Each level offers tailored solutions to address the specific challenges and opportunities associated with advancing their career and achieving long-term success.
