Place of meeting: agency office

Output: current, fresh and objective insight, strategic consensus and direction setting

Pricing. Strategic Consultation

BASIC DIFFICULTY LEVEL:

- . **Price:** 200 EUR/ hour
- . **Criteria:** suitable for small businesses or startups
- . **Argument:** at the basic difficulty level, strategic consultation services focus on fundamental aspects such as thorough analysis, goal alignment and expert recommendations. Small businesses and startups often require assistance in defining their objectives, understanding market dynamics and developing initial strategies for sustainable growth. Services emphasize collaborative planning and transparent communication to ensure alignment between stakeholders and facilitate the implementation of customized solutions tailored to the organization's needs

INTERMEDIATE DIFFICULTY LEVEL:

- . **Price:** 250 EUR/ hour
- . **Criteria:** geared towards mid-sized companies or expanding enterprises
- . **Argument:** intermediate difficulty level services offer more comprehensive support, including risk assessment, implementation roadmaps and continuous monitoring and evaluation. As companies grow, they face evolving challenges related to scalability, operational efficiency and market competitiveness. Strategic consultants at this level provide strategic guidance to navigate these complexities, develop robust implementation plans and monitor progress towards achieving measurable outcomes. Change management support and capacity building initiatives are crucial for driving organizational transformation and adapting to dynamic market conditions

ADVANCED DIFFICULTY LEVEL:

- . **Price:** 300 EUR/ hour
- . **Criteria:** targeted towards large corporations, multinational companies or industry leaders
- . **Argument:** advanced difficulty level services encompass sophisticated strategies such as change management support, training and capacity building at scale. Companies at this level operate in complex environments with diverse stakeholders, regulatory challenges and global market dynamics. Strategic consultants offer strategic insights to drive innovation, manage risks and optimize organizational performance. Transparent communication and measurable outcomes become even more critical as companies strive to maintain their competitive edge and sustain long-term growth amidst disruptive forces

CHALLENGING DIFFICULTY LEVEL:

- . **Price:** 400 EUR/ hour
- . **Criteria:** reserved for industry leaders, best of companies, or organizations undergoing significant transformation
- . **Argument:** at the challenging difficulty level, strategic consultation services delve into cutting-edge strategies, disruptive innovation, and visionary leadership. These organizations operate at the forefront of their industries and face complex challenges requiring unconventional solutions. Strategic consultants at this level possess deep industry expertise, foresight, and creativity to drive transformative change and shape the future landscape. Services may include radical innovation initiatives, strategic partnerships, and bold market entry strategies to capitalize on emerging opportunities and stay ahead of the competition. The focus is on pushing boundaries, challenging conventional thinking, and driving paradigm shifts to unlock new avenues for growth and sustainable success. Prices for these services are determined based on the magnitude of the transformation, the level of innovation required, and the potential impact on the organization's long-term strategic objectives

By categorizing strategic consultation services into these difficulty levels organizations can identify the appropriate level of support based on their size, maturity and strategic objectives. Each level offers tailored solutions to address the specific challenges and opportunities associated with advancing their strategic goals and achieving sustainable success.
