Empower your interview performance with our tailored services

Customization available based on your unique needs.

Embarking on the journey towards a successful job interview demands more than just a well-crafted resume – it requires a strategic approach to preparation. Our "Yes! I got it! Job Interview" service begins with a Job Interview Initial Chat, ensuring a comprehensive understanding of your current status and goals. This starting point sets the stage for personalized sessions aimed at enhancing your interview skills and boosting your confidence.

Starting with one basic session we go through our mock interviews, interview coaching and industry insights providing a tailored experience. The process is flexible, with the number of sessions depending on your progress and individual needs. Each face-to-face meeting at our agency office is led by an expert-level coach, supported by a technical backend team, to cover aspects like behavioral question preparation, storytelling techniques and stress management.

As we progress through the sessions, we offer research guidance, handling difficult questions and technology training, ensuring a holistic preparation experience. The pricing structure, ranging from intermediate to challenging difficulty levels, reflects the depth of customization required for your unique needs and position you are applying for. This approach ensures that you receive a level of readiness and preparedness tailored to the demands of the job interview.

With the Job Interview Initial Chat included in the package, our commitment is not just to provide a service but to pave the way for your success in securing that coveted job position.

Service particularity: session length 1h, number and frequency of sessions variable depending on client initial status and active progress; Job Interview Initial Chat included

Blob team engagement: 1 expert level coach, technical backend team

Type of meeting: face to face

Place of meeting: agency office

Output: adequate job interview level of readiness and preparedness

Pricing. Yes! I got it! Job Interview

BASIC DIFFICULTY LEVEL:

- . **Price:** 100 EUR/ session
- . **Criteria:** suitable for students or junior managers
- . **Argument:** basic difficulty level coaching focuses on fundamental interview skills such as mock interviews, behavioral question preparation, storytelling techniques and dress etiquette guidance. These individuals may be new to the job market or transitioning into entry-level roles, requiring foundational support to build confidence and competence in interview scenarios

INTERMEDIATE DIFFICULTY LEVEL:

- . **Price:** 150 EUR/ session
- . **Criteria:** appropriate for mid-level professionals or experienced managers
- . **Argument:** intermediate difficulty level coaching delves deeper into industry insights, research guidance, handling difficult questions and stress management techniques. Professionals at this stage are seeking advancement in their careers and may encounter more complex interview situations, such as competency-based assessments or panel interviews. They require tailored strategies to showcase their experience and expertise effectively

ADVANCED DIFFICULTY LEVEL:

- . **Price:** 175 EUR/ session
- . **Criteria:** targeted towards senior managers or directors
- . **Argument:** advanced difficulty level coaching provides specialized support in areas like technology training, post-interview debriefing and follow-up protocol. Aspiring executives aiming for C-suite positions or board memberships face intense competition and rigorous selection processes. They need advanced techniques to navigate intricate interview dynamics, including strategic storytelling, executive presence and nuanced negotiation skills

CHALLENGING DIFFICULTY LEVEL:

- . **Price:** 250 EUR/ session
- . **Criteria:** geared towards top executives, CEOs or board-level candidates
- . **Argument:** challenging difficulty level coaching offers high-level expertise in areas such as industry-specific insights, research and strategic leadership. Executives at this level are competing for pivotal leadership roles where every interaction counts. Services focus on fine-tuning their executive presence, addressing potential red flags and ensuring alignment with organizational goals. The coaching may also include intensive preparation for boardroom presentations, crisis management scenarios and sophisticated negotiation strategies

By categorizing coaching services into these difficulty levels, clients can choose the appropriate level of support based on their career stage, aspirations and the complexity of the positions they are targeting. Each level offers a tailored approach to address the specific challenges and demands associated with advancing to the next stage of their professional journey.
